PROFESSIONAL SUMMARY

Results-driven Full Stack Java Developer with practical experience in designing and developing enterprise web applications using Java, Spring Boot, Hibernate and Adobe Experience Manager (AEM) as a Cloud Service. Skilled in developing RESTful APIs, building responsive frontend applications, and integrating backend services with MySQL databases. Strong understanding of Spring Data JPA, JDBC, MVC architecture, and object-oriented programming principles. Proficient in Git, Maven, Docker, JUnit, Mockito, and cloud-based development environments. Experienced in developing and customizing AEM components, templates, dialogs, and content management solutions while following industry best practices. Passionate about delivering high-quality, scalable, and maintainable software solutions that meet business requirements.

TECHNICAL SKILLS

- **Programming Languages:** Java
- **AEM Technologies:** HTL (Sightly), Sling, OSGi, Dispatcher, Workflows, Content Fragments, Experience Fragments, MSM
- **Frontend:** HTML5, CSS3, React.js, Bootstrap
- **Backend:** Spring Framework, Spring Boot, Hibernate, REST APIs, Data JPA, JDBC
- **Databases:** MySQL, SQL
- **Tools & Platforms:** Git, GitHub, Docker, Maven, Postman, Jira, Eclipse IDE, STS, VS Code
- **Testing:** JUnit, Mockito

PROFESSIONAL EXPERIENCE

Associate Software Developer

Bhashaka Technologies | Feb 2026 – Present

- Developed reusable and scalable AEM components using HTL (Sightly), Sling Models, OSGi services, and Dispatcher configurations.
- Implemented Content Fragments, Experience Fragments, MSM, and AEM Workflows for efficient content management and multi-site support.
- Built and consumed RESTful APIs for seamless frontend-backend integration and headless CMS use cases.
- Collaborated with cross-functional teams in Agile environments to deliver high-quality, maintainable, and performance-optimized applications.

- Followed coding standards, security guidelines, and best practices to ensure scalable and robust software solutions

Full Stack Web Developer Intern

Cyrostack IT Solutions, Hyderabad | Jan 2025 – Dec 2025

- Developed real-time web applications using Microservices, MVC, and N-Tier architecture for scalable enterprise solutions.
- Built responsive frontend interfaces using React.js, Axios, HTML, CSS, JavaScript, and Thymeleaf.
- Designed and implemented RESTful APIs using Spring Boot, Hibernate, JDBC, and Data JPA.
- Worked with MySQL databases for CRUD operations, data management, and backend integration.
- Utilized Maven for project management and Git/GitHub for version control and collaboration.
- Performed testing, debugging, and application optimization using Eclipse IDE and Postman.

PROJECTS

Fruitables (Adobe Experience Manager - AEM)

Roles and Responsibilities:

- Designed and developed reusable, scalable AEM components using HTL and Sling Models, ensuring clean separation of concerns and maintainable code.
- Implemented Sling Model Exporters to expose content for headless and integration-driven use cases.
- Designed and developed Content Fragment Models for structured and reusable content management.
- Followed AEM coding standards, security guidelines, and performance best practices, contributing to continuous platform improvement.

Food Service Management System (Java, Spring Boot, Hibernate/JPA, Thymeleaf, REST API, MySQL)

- Developed backend-focused admin modules with CRUD operations and session management.
- Implemented Layered Architecture using Spring Boot and Spring Data JPA.
- Created dynamic user interfaces using Thymeleaf and responsive HTML pages.

Portfolio Website (HTML5, CSS3, JavaScript, Bootstrap)

- Designed and developed a responsive portfolio website to showcase projects and technical skills.
- Implemented smooth navigation and mobile-friendly layouts.
- Portfolio Link: <https://saikumar-1710.github.io/Portfolio/Portfolio/>

EDUCATION

B.Tech in Computer Science Engineering (AI & ML)

CMR Technical Campus, Hyderabad | 2021 – 2024 | 7.84 CGPA

Diploma in Civil Engineering

Kshatriya College of Engineering, Nizamabad | 2018 – 2021 | 8.9 CGPA

SSC

ZP High School, Nizamabad | 2017 – 2018 | 9.0 CGPA

CERTIFICATIONS

- Full Stack Java Developer Certification – Nit Technology
- Full Stack Web Development Internship Certificate – Cyrostack IT Solutions
- Google Cloud Career Readiness – Data Analyst Track

ACHIEVEMENTS

- Selected in Innovators Hive at Google Cloud Next 22.
